

Automobile Payment Vacation Request

Yes, I want to skip my next payment on my qualified NIHFCU auto loan

Payment Vacation Amendment to Auto Loan Agreement:

1. I want to skip my qualified auto loan payment. I understand that I will need to make up the payment skipped.
2. I understand that assuming I make only minimum payments, skipping a payment **will delay the payoff of the loan and result in additional finance charges.**
3. By signing this amendment to my auto loan agreement, I authorize you, NIH Federal Credit Union, to extend the payment schedules.
4. I understand that it takes **5 business days** from the day you receive this request to implement the skip payment request. For example, if I want to skip my August payments, NIH Federal Credit Union must **receive** this form 5 business days before the date of the payment that the skip is being requested for.
5. I understand that I cannot skip the payment on any auto loan I have had with NIH Federal Credit Union for fewer than 12 months.
6. I understand my loan must be contractually up to date as of the date of this agreement.
7. Except for the payment schedule, all of the terms of my loan agreement remain the same.
