

Now's the time to buy, refinance or remodel.

FROM JULI ANNE CALLIS, PRESIDENT AND CEO

With rates still at historic lows, the NIHFCU is expanding its range of available mortgage options providing homeowners with new ways to save both time and money.

Our new, low rate 10-Year Fixed Mortgage is the perfect refinance option for NIHFCU members who wish to accelerate the pay down of their current mortgage. And, our new 5/1 Adjustable Rate Mortgage can save both current and first-time home buyers money by locking in at today's prevailing low rate for the next five years.

At the NIHFCU, we make it easy, we make it fast, we make it happen! Apply online at nihfcu.org or call 301.718.4747 to speak with one of our mortgage experts today about these and other great terms and rates.

E-mail and Text Message Alerts -24/365 account access.

We know your time is valuable and staying in touch with your account is important. With online banking you can get account updates via text messaging or set up e-mail notifications in a matter of moments.

Log on to online banking and select "Mobile Banking & Alerts". Then, follow the easy prompts to set up your automatic text message alerts to your mobile phone. You can also set-up e-mail notifications for balances, cleared checks, or create a personal reminder. NIHFCU has also added new short codes allowing mobile phone users to immediately check balances and account history, transfer funds and more from virtually anywhere at anytime.

Visit nihfcu.org to learn more about these fast and convenient services.
