BUSINESS MEMBERSHIP AND ACCOUNT AGREEMENT

This Business Membership and Account Agreement ("Agreement") covers the rights and responsibilities concerning accounts held by a business or organization account owner ("Account Owner") and National Institutes of Health Federal Credit Union ("Credit Union"). In this Agreement, the words "you," "your" and "yours" mean the Account Owner as well as each person signing a Business Account Card or other account opening document ("Account Card") or for which membership and/or service requests are otherwise approved. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more share or deposit accounts you have with the Credit Union.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, if applicable, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

1. CONTRACT - Your account with the Credit Union is held individually in the name of the Account Owner. By signing an Account Card or authenticating your request, or by adding, changing or continuing to use your accounts and services, you agree to the terms and conditions in this Agreement, the Account Card, any Funds Availability Policy Disclosure, rate sheet, fee schedule, Account Receipt or other disclosure we provide to you, the Credit Union Bylaws or Code of Regulations (Bylaws), Credit Union policies, and any amendments, including additions, deletions or other changes, we make to these documents from time to time, all of which collectively govern your membership, accounts and services. You also agree that your accounts and services are governed by applicable present and future federal and state laws, local banking customs and clearinghouse rules.

2. MEMBERSHIP ELIGIBILITY - To join the Credit Union, the Account Owner must meet the membership requirements, which may include the purchase and maintenance of the minimum required share(s) (hereinafter membership share), paying a membership fee, or other requirement(s) as set forth in the Credit Union's bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit and consumer reporting agencies, to verify your eligibility for the accounts, products and services you request and for other accounts, products, or services we may offer you or for which you may qualify.

3. ACCOUNT ACCESS

a. Authorized Persons. The following are deemed Authorized Persons who may establish accounts at the Credit Union and act on behalf of the Account Owner with respect to such accounts:

- If the Account Owner is a sole proprietorship, the business owner and any person designated by the business owner;
- If the Account Owner is a partnership, each partner (or, for a limited partnership, the general partner or those partners as otherwise established by the partnership agreement) and any person designated by the partners; or
- If the Account Owner has any other form of organization or is an unincorporated organization or association, the individuals vested with the power to make decisions concerning the operation of the Account Owner must designate the persons authorized to establish accounts at the Credit Union and transact business on such accounts on behalf of the Account Owner.

b. Authority. Authorized Persons are vested with authority to open and close accounts on behalf of the Account Owner and transact business of any nature on such accounts, including but not limited to the following:

- Depositing, withdrawing and transferring funds into, out of and between one or more accounts;
- Signing checks, drafts and other orders for payment or withdrawal;
- Issuing instructions regarding orders for payment or withdrawal;
- Endorsing any check, draft, certificate, share certificate and any other instrument or order for payment owned or held by the Account Owner; and
- Receiving information of any nature about the account.

We have no obligation to inquire as to the use of any funds or the purpose of any transaction made on your account by an Authorized Person and are not responsible for any transaction by an Authorized Person.

We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. It is your responsibility to provide us with specimen signatures of all Authorized Persons and to inform us immediately in writing of any changes. If you have authorized the use of a facsimile signature of any Authorized Person, we may honor any document that appears to bear the facsimile signature.

c. Access Options. You may access your account in any manner we permit including, for example, in person at one of our branch offices, at an ATM or point-of-sale device, or by mail, telephone, automatic transfer, internet access, or mobile application. Authorized Persons may execute additional agreements and documents we require to access, transact business on and otherwise exercise authority over your account. We may return as unpaid any check or draft drawn on a form we do not provide. Any losses, expenses or fees we incur as a result of handling such a check or draft will be charged to your account.

d. Credit Union Examination. We may disregard information on any check or draft, other than the signature of the drawer, the amount of the item and any magnetic encoding. You agree we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

4. DEPOSIT OF FUNDS REQUIREMENTS - Funds may be deposited to your accounts in any manner approved by the Credit Union and in accordance with any requirements set forth on our business account rate sheet and fee schedule. We have the right to refuse any deposit, limit the amount that may be offered for deposit, and return all or any part of a deposit. Deposits made by mail, at night depositories or other unstaffed facilities are not our responsibility until we receive them.

a. Endorsements. We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to or to the order of the Account Owner, even if they are not endorsed. If an insurance, government, or other check or draft requires an endorsement, we may require that it be endorsed as set forth on the item. We may but are not required to accept, whether for cash or other value, checks, drafts, or items made payable to the Account Owner, provided such items are endorsed with an original or facsimile signature of an Authorized Person. Endorsements must be made on the back of the check or draft within 1½ inches from the top edge, although we may accept endorsements outside this space. However, any loss we incur due to a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility. If we offer a remote deposit capture service and you have been approved to use the service to make deposits to your account, you agree that, prior to transmitting check or draft images, you will restrictively endorse each original check or draft in accordance with any other agreement with us that governs this service. **For accounts held at credit unions located in New York:** If a check, draft, or item that is payable to two (2) or more persons is ambiguous as to whether it is payable to either or both, we will process the check, draft, or item as though it is payable to all such persons. **For accounts held at credit unions located in states other than New York:** If a check, draft or other item that is payable to two or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft or item as though it is payable to either person.

b. Collection of Items. We act only as your agent, and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the loss of an item in transit or the negligence of any correspondent. Each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor financial institution extra time beyond any midnight deadline limits.

c. Restrictive Legends. Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include "two signatures required," "void after 60 days," and "not valid over \$500.00." We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restriction or limitation.

d. Final Payment. All items and Automated Clearinghouse (ACH) transfers credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items and impose a return item fee on your account. Any collection fees we incur may also be charged to your account. We reserve the right to refuse or return any item or funds transfer.

e. Direct Deposits. We may offer direct deposit services, including preauthorized deposits (e.g. payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits by completing a separate authorization document or process. You must notify us if you wish to cancel or change a direct deposit or preauthorized transfer. Any cancellation or change will become effective once we receive notice from you and have a reasonable period of time to act on your request. If we are required to reimburse a government agency for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law. If your account is overdrawn, you

authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits.

f. Crediting of Deposits. Deposits will be credited to your account on the day we consider them received as stated in our Funds Availability Policy Disclosure.

5. FUNDS TRANSFERS - Funds transfers we permit that are subject to Article 4A of the Uniform Commercial Code, including Automated Clearinghouse (ACH) credit transactions and wire transfers, will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the Credit Union is located, except as otherwise provided in this Agreement. ACH transfers are subject to Nacha rules. If we execute requests for funds transfers by Fedwire, such transfers are subject to the Federal Reserve Board's Regulation J.

a. Authorization for Transfers/Debiting of Accounts. Any Authorized Person is authorized to make or order funds transfers to or from your account. We will debit your account for the amount of a funds transfer and will charge your account for any fees related to the transfer.

b. Right to Refuse to Make Transfers/Limitation of Liability. Unless we agree otherwise in writing, we reserve the right to refuse to execute any payment order to transfer funds to or from your account. We are not obligated to execute any payment order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available funds in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control, including mechanical, electronic or equipment failure. In addition, we will not be liable for consequential, special, punitive or indirect loss or damage you may incur in connection with funds transfers to or from your account.

c. No Notice Required. We will not provide you with notice when funds transfers are credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received.

d. Interest Payments. If we fail to properly execute a payment order and such action results in a delay in payment to you, applicable law requires that we pay you interest for the period of delay. Based on your account type, we will pay you such interest in the form of dividend or interest payments, whichever applies. You agree that the dividend or interest rate paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period.

e. Provisional Credit for ACH Transactions. We may provisionally credit your account for an ACH transfer before we receive final settlement. If we do not receive final settlement, we may reverse the provisional credit or require you to refund us the amount provisionally credited to your account, and the party originating the transfer will not be considered to have paid you.

f. Payment Order Processing and Cut-off Times. Payment orders we accept will be executed within a reasonable time of receipt. Unless we have agreed otherwise in writing, a payment order may not necessarily be executed on the date it is received or on a particular date you specify. Cut-off times may apply to the receipt, execution and processing of funds transfers, payment orders, cancellations, and amendments. Funds transfers, payment orders, cancellations, and amendments received after a cut-off time may be treated as having been received on the next funds transfer business day. Information about any cut-off times is available upon request. From time to time, we may need to temporarily suspend processing of a transaction for greater scrutiny of verification in accordance with applicable law. This action may affect settlement or availability of the transaction.

g. Identifying Information. If your payment order identifies the recipient and any financial institution by name and account or other identifying number, the Credit Union and any other financial institutions facilitating the transfer may rely strictly on the account or other identifying number, even if the number identifies a different person or financial institution.

h. Amendments and Cancellations of Payment Orders. Any Authorized Person may amend or cancel a payment order regardless of whether that person initiated the order. We may refuse requests to amend or cancel a payment order that we believe will expose the Credit Union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order.

i. Security Procedures. We may require you to follow a security procedure to execute, amend or cancel a payment order so that we may verify the authenticity of the order, amendment or cancellation. You agree that the security procedure established by separate agreement between you and the Credit Union is commercially reasonable. If you refuse to follow a commercially reasonable security procedure that we offer, you agree to be bound by any payment order, whether authorized or not, that is issued in your name and accepted by us in good faith in accordance with the security procedure you choose.

j. Duty to Report Unauthorized or Erroneous Funds Transfers. You must exercise ordinary care to identify and report unauthorized or erroneous funds transfers on your account. You agree that you will review your account(s) and periodic statement(s). You further agree you will notify us of any unauthorized or erroneous transfers within the time frames described in the "Statements" section of this Agreement.

k. Recording Telephone Requests. You agree that we may record payment order, amendment and cancellation requests as permitted by applicable law.

6. ACCOUNT RATES AND FEES - We pay account earnings and assess fees against your account as set forth in our business account rate sheet and fee schedule. We may change our business account rate sheet and fee schedule at any time and will notify you as required by law.

7. TRANSACTION LIMITATIONS - We reserve the right to restrict withdrawals or transfers from your account and shall not be liable for any restrictive action we take regarding withdrawals, transfers, or the payment or non-payment of checks and drafts, except those damages which may arise solely as a result of the Credit Union's negligence.

a. Withdrawal Restrictions. We permit withdrawals if your account has a sufficient available balance to cover the full amount of the withdrawal, and may otherwise honor withdrawal requests in accordance with our overdraft policies or any overdraft protection service you have established with us. Checks and drafts or other transfers or payment orders which are drawn against insufficient available funds may be subject to a fee as set forth in our business account fee schedule. If there are sufficient available funds to cover some, but not all, of your withdrawal request, we may otherwise allow you to make a withdrawal in an amount for which there are sufficient available funds.

We may limit or refuse a withdrawal in some situations, and will advise you accordingly if, for example: (1) there is a dispute between Authorized Persons (unless a court has ordered the Credit Union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; (5) you fail to repay a Credit Union loan on time; (6) for non-corporate accounts, a depositor is deceased; or, for corporate accounts, the corporation is in bankruptcy proceedings or has been dissolved and the required disposition of the account has not been made; (7) someone with authority to do so requests us not to permit the withdrawal; or (8) there are other circumstances which do not permit us to make the withdrawal. We also reserve the right to refuse any withdrawal which is attempted by any method not specifically permitted by us. We may require you to give written notice of 7 to 60 days before any intended withdrawals.

b. Transfer Limitations. For accounts subject to transfer limitations, you may not make more than six withdrawals and transfers to another Credit Union account of yours or to a third party during any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card, if applicable, or similar order. A preauthorized transfer includes any arrangement with us to pay a third party from your account upon oral or written orders, including orders received via ACH. When a transfer exceeds these limitations, we may refuse or reverse it, assess fees against your account, suspend your account, or close your account and transfer the balance to an account without such transfer limitations. There is no limit on the number of transfers you may make to a Credit Union loan account or on the number of withdrawals you may make if the withdrawal is made in person, by mail, messenger or at an ATM. There is also no limit on the number of telephone requests for withdrawals in the form of a check or draft which is then mailed directly to you, although we may impose a fee for such services.

8. CERTIFICATE ACCOUNTS - Any term share, share certificate, time deposit or certificate of deposit account, whichever we offer as allowed by applicable federal or state law, is subject to the terms of this Agreement, our business account rate sheet and fee schedule, Account Receipt(s), if provided, and any other documents we provide for the account, the terms of which are incorporated herein by reference. **For accounts held at state-chartered credit unions located in Wisconsin:** Credit Union liability for dividends declared by the board of directors on term share, share certificate and passbook savings accounts shall terminate without penalty to the Credit Union upon the Credit Union entering an involuntary dissolution procedure, or if the Director of Credit Unions shall take possession of the Credit Union under s.186.235(11) of the Wisconsin Statutes. Upon dissolution, the Director shall determine the priority of payout of the various classifications of savings (Wis. Admin. Code DFI-CU 60.06).

9. OVERDRAFTS AND DISHONORED ITEMS

a. Overdrafts. If, on any day, the available balance in your share or deposit account is not sufficient to pay the full amount of a check, draft, transaction, or other item, plus any applicable fee, that is posted to your account, we may return the item or pay it, as described below. The Credit Union's determination of an insufficient available account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. We do not have to notify you if your account does not have sufficient available balance in order to pay for an item. We will charge one NSF fee for each unique item presented for payment when funds are not available. Should this same unique item be represented, on a subsequent business day (within 28 calendar days) and the funds are not available, the item will be returned unpaid. The credit union will not assess an additional NSF fee on the subsequent business day for the representation of the unique item. If at any time the credit union pays a represented item via courtesy pay, a courtesy pay fee will be charged.

Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay such items that result in an insufficiency of funds in your account, we do not agree to pay them in the future and may discontinue coverage at any time without notice. If we pay these items or impose a fee that results in insufficient funds in your account, you agree to pay the insufficient amount, including the fee assessed by us, in accordance with our other service you may have authorized with us or, if you do not have such protections with us, in accordance any overdraft payment policy we have, as applicable.

Negative checking balances must be repaid within 30 days. Certain restrictions apply as NSF items will be paid on checking accounts only. Unless an Overdraft Plan with available funds or credit is set up by a checking account owner, payment of NSF items is not guaranteed. NSF items may not be paid on accounts fewer than 60 days old, accounts that do not receive regular deposits, accounts where any owner's funds are subject to legal process or other claims, or on accounts where any owner is in default on any obligation to NIHFUCU.

b. Dishonored Items. We may redeposit an item taken for deposit, cash or other value, or we may return the item to you and charge your account. If your account does not contain a sufficient available balance to reimburse us for the amount of the item, you must repay us for the amount we are unable to collect from your account. If we choose to redeposit an item, we are not required to notify you that the item was returned unpaid. We may charge your account and/or seek recovery directly from you for any item that is returned due to your breach of warranty under the Uniform Commercial Code as adopted in the state where our main office is located.

c. How Transactions are Posted to Your Account. Basically, there are two types of transactions that affect your account: credits (deposits of money into your account) and debits (payments out of your account). It is important to understand how each is applied to your account so that you know how much money you have and how much is available to you at any given time. This section explains generally how and when we post transactions to your account.

Credits. Deposits are generally added to your account when we receive them. However, in some cases when you deposit a check, the full amount of the deposit may not be available to you at the time of deposit. Please refer to the Funds Availability Policy Disclosure for details regarding the timing and availability of funds from deposits.

Debits. There are several types of debit transactions. Common debit transactions are generally described below. Keep in mind that there are many ways transactions are presented for payment by merchants, and we are not necessarily in control of when transactions are received.

- **Checks.** When you write a check, it is processed through the Federal Reserve system. We receive data files of cashed checks from the Federal Reserve each day. The checks drawn on your account are compiled from these data files and paid each day. We process the payments in the order contained in the data file.
- **ACH Payments.** We receive data files every day from the Federal Reserve with Automated Clearing House (ACH) transactions. These include, for example, automatic bill payments you have authorized. ACH transactions for your account are posted throughout the day in order of receipt.
- **PIN-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card for which a merchant may require you to enter your personal identification number (PIN) at the time of sale. They are processed through a PIN debit network. These transactions are similar to ATM withdrawal transactions because the money is usually deducted from your account immediately at the time of the transaction. However, depending on the merchant, a PIN-based transaction may not be immediately presented for payment.
- **Signature-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card that are processed through a signature-based network. Rather than entering a PIN, you typically sign for the purchase; however, merchants may not require your signature for certain transactions. Merchants may seek authorization for these types of transactions. The authorization request places a hold on funds in your account when the authorization is completed. This is referred to as an "authorization hold." An authorization hold will reduce your available balance by the amount authorized but will not affect your actual balance. The transaction is subsequently processed by the merchant and submitted to us for payment. This can happen hours or sometimes days after the transaction, depending on the merchant and its payment processor. These payment requests are received in real time throughout the day and are posted to your account when they are received.

The amount of an authorization hold may differ from the actual payment because the final transaction amount may not yet be known to the merchant when you present your card for payment. For example, if you use your debit card at a restaurant, a hold will be placed in an amount equal to the bill presented to you; but when the transaction posts, it will include any tip that you may have added to the bill. This may also be the case where you present your debit card for payment at gas stations, hotels and certain other

retail establishments. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment.

For debit card transactions involving merchant authorization holds, there may be a delay between the hold being applied and the transaction posting to your account. During the delay, intervening transactions may impact the available balance in your account. It is important to keep in mind that we check your available balance both at the time the merchant's authorization request is received and again when the transaction settles and posts to your account. If your available balance is insufficient to cover the amount of the merchant's authorization request, we will decline the request. If your available balance is sufficient to cover the merchant's authorization request, the request will be approved, and an authorization hold in the amount of the request will be placed on your account. The transaction will be subsequently processed by the merchant and submitted to us for payment. If the transaction settles and posts to your account at a time when the available balance is insufficient to pay the transaction without causing an overdraft (i.e., posting the transaction results in an available balance of less than \$0), we will charge you a fee for overdrawing your account, even though the available balance in your account was sufficient to cover the transaction at the time it was authorized.

The following example illustrates how this works:

Assume your actual and available balances are both \$40, and you use your debit card at a restaurant to pay your bill totaling \$30. If the restaurant requests authorization in the amount of \$30, an authorization hold is placed on \$30 in your account. Your available balance is only \$10, but the actual balance remains \$40. Before the restaurant charge is sent to us for payment, a check that you wrote for \$40 is presented for payment. Because your available balance is only \$10 due to the \$30 authorization hold, your account will be overdrawn by \$30 when the check transaction is posted to your account even though your actual balance is \$40. In this example, if we pay the \$40 check in accordance with our standard overdraft services, we will charge you a fee for overdrawing your account as disclosed in the Schedule of Fees and Charges. The fee will also be deducted from your account, further increasing the overdrawn amount. In addition, when the restaurant charge is finally submitted to us for payment, we will release the authorization hold and pay the transaction amount to the restaurant. The transaction amount may be \$30 or a different amount (for example, if you added a tip). Because the amount of the restaurant charge exceeds your available balance at the time the charge is settled (i.e., at the time the merchant or its financial institution requests payment or the transaction posts to your account), we will charge you another fee for overdrawing your account, even though you had a sufficient available balance in your account at the time the restaurant charge was authorized and approved.

This is a general description of certain types of transactions. These practices may change, and we reserve the right to pay items in any order we choose as permitted by law.

d. Understanding Your Account Balance. Your checking account has two kinds of balances: the actual balance and the available balance. Your actual balance reflects the full amount of all deposits to your account as well as payment transactions that have been posted to your account. It does not reflect checks you have written and are still outstanding or transactions that have been authorized but are still pending. Your available balance is the amount of money in your account that is available for you to use. Your available balance is your actual balance less: (1) holds placed on deposits; (2) holds on debit card or other transactions that have been authorized but are not yet posted; and (3) any other holds, such as holds related to pledges of account funds and minimum balance requirements or to comply with court orders. We use your available balance to determine whether there are sufficient funds in your account to pay items, including checks and drafts, as well as ACH, debit card and other electronic transactions. Pending transactions and holds placed on your account may reduce your available balance and may cause your account to become overdrawn regardless of your actual balance. In such cases, subsequent posting of the pending transactions may further overdraw your account and be subject to additional fees. You should assume that any item which would overdraw your account based on your available balance may create an overdraft. You may check your available balance online at www.nihfcu.org, at an ATM, by visiting a credit union branch or by calling us at 800.877.6440.

10. CHECKS OR DRAFTS PRESENTED FOR PAYMENT IN PERSON - We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft, and we shall have no liability for refusing payment. If we agree to cash a check or draft that is presented for payment in person, we may require the presenter to pay a fee. Any applicable fees for cashing checks or drafts are stated in our business account fee schedule.

11. POSTDATED AND STALEDATED CHECKS OR DRAFTS - You agree not to draw or issue any check or draft that is postdated. If you draw or issue a check or draft that is payable on a future date, we will have no liability if we pay the check or draft before its payment date. You agree not to deposit checks, drafts, or other items before they are properly payable. We are under no obligation to pay a check or draft drawn on your account that is presented more than six

months after the date it was written; however, if the check or draft is paid against your account, we will have no liability for such payment.

12. FOREIGN CURRENCY - All checks or drafts drawn on your account shall be payable in currency of the United States. You agree not to draw a check or draft that is payable in any foreign currency. If you give us an order to pay a check or draft in a foreign currency, we have the right to return the check or draft unpaid. However, if we pay the check or draft, we will not be responsible for the currency conversion or any fees assessed for collection, and you will be bound by our determination of the currency conversion rate, the data used and the manner in which we make the conversion.

13. STOP PAYMENT ORDERS

a. Stop Payment Order Request. Any Authorized Person may request a stop payment order on any check or draft drawn on your account. To be binding, the order must accurately describe the check or draft, including the exact account number, check or draft number, and amount of the check or draft. This exact information is necessary for the Credit Union to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity to act on it. If we recredit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer to us all of your rights against the payee or other holders of the check or draft, and to assist us in any legal action.

For accounts held at credit unions located in the state of New York: Payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us may be stopped only according to the provisions of Section 4-403 of the Uniform Commercial Code as enacted by the state of New York. **For accounts held at credit unions located in states other than New York:** You may not stop payment on any certified check, cashier's check, teller's check or any other check, draft or payment guaranteed by us.

b. Duration of Order. You may make an oral stop payment order which will lapse within 14 calendar days unless you confirm it in writing, or in a record if allowed by applicable law, within that time. A written stop payment order is effective for six months and may be renewed from time to time in writing, or in a record if allowed by applicable law. We do not have to notify you when a stop payment order expires. **For accounts held at credit unions located in the states of Florida and Texas:** We have the right to refuse to accept oral stop payment orders and may require that all stop payment orders be made in writing or in a record as allowed by applicable law.

c. Liability. Fees for stop payment orders are set forth on our business account fee schedule. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You have the burden of establishing the fact and amount of loss resulting from the payment of an item contrary to a binding stop payment order. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees and all damages or claims related to our refusal to pay an item, as well as claims of the Account Owner or of any payee or endorsee for failing to stop payment of an item as a result of incorrect information provided by you.

14. CREDIT UNION LIABILITY - If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law or elsewhere in this Agreement. We will not be liable if, for example: (1) your account contains an insufficient available balance for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We are not liable if checks, drafts or other items were forged or altered so that the forgery or alteration could not be reasonably detected. We will not be liable for consequential damages, except liability for wrongful dishonor. We are not responsible for a check or draft that is paid by us if we acted in a commercially reasonable manner and exercised ordinary care. We exercise ordinary care if our actions or nonactions are consistent with applicable state law, federal reserve regulations and operating letters, clearinghouse rules, and general banking practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict between what you or our employees may say or write will be resolved by reference to this Agreement.

15. UNAUTHORIZED USE OF CHECK OR DRAFT WRITING AND FACSIMILE SIGNATURE EQUIPMENT - You are responsible for maintaining the security of all facsimile signatures, check or draft writing equipment and supplies. You must promptly notify us in writing of the loss or theft of any checks or drafts or the unauthorized use of facsimile signature equipment, as well as the circumstances surrounding the loss, theft or unauthorized use. We are not liable for any unauthorized use of a facsimile signature.

16. PLEDGE, RIGHT OF OFFSET AND STATUTORY LIEN - Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account(s) for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. You agree we have the right to offset funds in any of

your accounts against any obligation owed to us. Federal or state law, depending on whether we have a federal or state charter, gives us a lien on all shares and dividends and all deposits and interest, if any, in the account(s) you have with us now and in the future. Except as limited by state or federal law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you.

Your pledge and our statutory lien rights will allow us to apply the funds in your account(s) to what you owe when you are in default, except as limited by state or federal law. If we do not apply or offset the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply or offset the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge does not apply to any Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given as security. By not enforcing our right to apply or offset funds in your account(s) to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

17. TRANSFER OF ACCOUNT - All accounts are nonassignable and nontransferable to third parties except by us.

18. LEGAL PROCESS - If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved, as permitted by law. Any expenses or attorney's fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

19. ACCOUNT INFORMATION - Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure is made to comply with the law or an order issued by a court or government agency; (4) you give us written permission; or (5) as otherwise permitted by applicable law. We may provide information to credit bureaus about an insolvency, delinquency, late payment or default on your account to include in your credit report.

20. NOTICES

a. Name or Address Changes. You are responsible for promptly notifying us of any address or name change. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us. If we attempt to locate you, we may impose a service fee as set forth on our business account fee schedule.

b. Notice of Amendments. Except as prohibited by applicable law, we may amend this Agreement by adding, removing, or changing terms at any time. We will notify you, in a manner we deem appropriate under the circumstances, of any changes in terms, rates, or fees as required by law.

c. Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is provided electronically or is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address, and will be effective whether or not received by you.

d. Electronic Notices. If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

21. TAXPAYER IDENTIFICATION NUMBER AND BACKUP WITHHOLDING - You agree that we may withhold taxes from any dividends or interest earned on your account as required by federal, state or local law or regulations. Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN within a reasonable time, we may suspend opening your account or close your account and return the balance to you, less any applicable service fees.

22. STATEMENTS

a. Contents. If we provide a periodic statement for your account, you will receive a statement that shows the transactions and activity on your account during the statement period. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the Credit Union and may not be returned to you, but copies may be retained by us or payable through financial institutions and made available upon your request. You understand and agree that statements are made available to you on the date they are mailed to you or, if you have requested, on the date they are made available to you electronically. You also understand and agree that checks, drafts or copies thereof are made available to you on the date the statement is mailed to you or is provided to you electronically, even if the checks or drafts do not accompany the statement.

b. Examination. You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report to us, within a reasonable time after receiving your statement, any irregularities, such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies that are reflected on your statement we will not be responsible for

your loss. In addition, we will not be responsible for any such items, payments, transactions, or other discrepancies reflected on your statement if you fail to notify us within 33 days of the date we sent or otherwise provided the statement to you. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of facsimile signature equipment.

c. Notice to the Credit Union. You agree that the Credit Union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes, and we will not be liable for any payment made or charge to your account unless you notify us in writing within the above time limit for notifying us of any errors.

If timely notice is given, we reserve the right to make a final reasonable determination regarding whether and in what amount any adjustment shall be made. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

d. Address. If we mail you a statement, we will send it to the last known address shown in our records. If you have requested that we send your statement electronically, we will send it to the last e-mail address shown in our records.

23. INACTIVE ACCOUNTS - As allowed by applicable law, we may classify your account as inactive or dormant and assess a fee if you have not made any transactions in your account over a specified period of time. The period of inactivity, the fee for servicing an inactive or dormant account, and the minimum balance required to avoid the service fee, if any, are set forth in our business account fee schedule. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer all funds in an inactive or dormant account to an account payable or reserve account and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will then be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds. If you choofunds, you must apply to the appropriate state agency.

24. TERMINATION OF ACCOUNT - We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if you are no longer a member in good standing; as provided in any policy we have adopted regarding restricting services; or as otherwise permitted by law. You may terminate an individual account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint account. We are not responsible for payment of any check, draft, withdrawal, transaction, or other item after your account is terminated; however, if we pay an item after termination, you agree to reimburse us.

25. TERMINATION OF MEMBERSHIP; LIMITATION OF SERVICES - You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all of your accounts. You may be expelled from membership for any reason allowed by applicable law. We may restrict account access and services without notice to you if, for example: (1) your account is being misused; (2) you have demonstrated conduct which is abusive in nature; (3) you are no longer a member in good standing; (4) as provided in any policy we have adopted regarding restricting services; or (5) as otherwise permitted by law.

26. DEATH OR INCOMPETENCE - If an account is held in the name of an individual person or a business that is organized as a sole proprietorship, we may honor all transfer orders, withdrawals, deposits and other transactions on the account until we know of the Account Owner's death or adjudication of incompetence. Even with such knowledge, we may continue to pay checks or drafts drawn on the deceased Account Owner's account for a period of ten days after the Account Owner's death unless we receive instructions from any person claiming an interest in the account to stop payment on the checks or drafts. We may require anyone claiming funds from a deceased Account Owner's account to indemnify us for any losses we sustain if we honor that claim. This Agreement will be binding upon any heirs or legal representatives of any Account Owner that is an individual or business organized as a sole proprietorship.

27. UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL ACTIVITIES - You agree that you are not engaged in unlawful internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful internet gambling or other illegal activities.

28. WAIVER OF RIGHTS - We reserve the right to waive or delay the enforcement of any provision of this Agreement with respect to any transaction or series of transactions. A waiver or delay of our rights at any time shall not be deemed to be a waiver of any other rights or a waiver of the same rights at a future time.

29. SEVERABILITY - If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of this Agreement.

30. ENFORCEMENT - You are liable to us for any loss, cost or expense we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.

31. GOVERNING LAW - This Agreement is governed by the following, as amended from time to time: the Credit Union's bylaws; local clearinghouse and other payment system rules; federal laws and regulations, including applicable principles of contract law; and the laws and regulations of the state of Maryland.

32. WAIVER OF TRIAL BY JURY AND AGREEMENT AS TO LOCATION OF LEGAL PROCEEDINGS - As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county of the Credit Union office where you opened your account. You and we agree to waive any right to trial by jury in any legal proceeding or lawsuit involving the account.

33. NEGATIVE INFORMATION NOTICE - We may report information about your loan and deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

34. MONITORING AND RECORDING COMMUNICATIONS - We may monitor and record communications between you and us, including telephone conversations, electronic messages, electronic records, or other data transmissions that affect your accounts or other products and services. Except as otherwise provided by applicable law, you agree we may monitor and record such communications without your approval or further notice to you.

35. CONSENT TO CONTACT - By signing or otherwise authenticating the Business Account Card, the Authorized Person(s) agree(s) we and/or our third-party providers, including debt collectors, may contact the Authorized Person(s) by telephone call, text message, or voicemail transmission at any telephone number associated with the account, including wireless telephone numbers (i.e. cell phone numbers) which could result in charges to Authorized Person(s), in order to service the account or collect any amounts owed to us, excluding any contacts for advertising and telemarketing purposes as prescribed by law. The Authorized Person(s) further agree(s) methods of contact may include use of pre-recorded or artificial voice messages, and/or use of an automatic dialing device. The Authorized Person(s) may withdraw the consent to be contacted on their wireless telephone number(s) at any time by any reasonable means. If the Authorized Person(s) has provided a wireless telephone number(s) on or in connection with any account, the Authorized Person(s) represents and agrees they are the wireless subscriber or customary user with respect to the wireless telephone number(s) provided and has the authority to give this consent. Furthermore, the Authorized Person(s) agrees to notify us of any change to the wireless telephone number(s) which they have provided to us.

In order to help mitigate harm to the Authorized Person(s) and the account, we may contact the Authorized Person(s) on any telephone number associated with the account, including a wireless telephone number (i.e. cell phone number), to deliver any messages related to suspected or actual fraudulent activity on the account, data security breaches or identity theft following a data breach, money transfers or any other exigent messages permitted by applicable law. These contacts will not contain any telemarketing, cross-marketing, solicitation, advertising, or debt collection message of any kind. The contacts will be concise and limited in frequency as required by law. The Authorized Person(s) will have an opportunity to opt-out of such communications at the time of delivery.

36. BINDING ARBITRATION AND CLASS ACTION WAIVER - RESOLUTION OF DISPUTES BY ARBITRATION: THIS SECTION CONTAINS IMPORTANT INFORMATION REGARDING YOUR ACCOUNTS AND ALL RELATED SERVICES. IT PROVIDES THAT EITHER YOU OR WE CAN REQUIRE THAT ANY DISPUTES BE RESOLVED BY BINDING ARBITRATION. ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY TRIAL AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IN ARBITRATION, THE DISPUTE IS SUBMITTED TO A NEUTRAL PARTY, AN ARBITRATOR, INSTEAD OF A JUDGE OR JURY. ARBITRATION PROCEDURES MAY BE MORE LIMITED THAN RULES APPLICABLE IN COURT.

Agreement to Arbitrate Disputes.

Either You or We may elect, without the other's consent, to require that any dispute between us concerning Your Accounts and the services related to your Accounts be resolved by binding arbitration, except for those disputes specifically excluded below.

This arbitration agreement is entered into pursuant to the Federal Arbitration Act, 9 U.S.C. §§ 1 – 16 (the "FAA").

Disputes Covered by Arbitration.

Claims or disputes between you and us arising out of or relating to your Account(s), transactions involving your Account(s), safe deposit box, and any related service with us are subject to arbitration. Any claims or disputes arising from or relating to this agreement, any prior account agreement between us, or the advertising, the application for, or the approval or establishment of your account are also included. Claims are subject to arbitration, regardless of what theory they are based on or whether they seek legal or equitable remedies. Arbitration applies to any and all such claims or

disputes, whether they arose in the past, may currently exist or may arise in the future. All such disputes are referred to in this section as "Claims".

The only exception to arbitration of Claims is that both you and we have the right to pursue a Claim in a small claims court instead of arbitration, if the Claim is in that court's jurisdiction and proceeds on an individual basis.

No Class Action or Joinder of Parties.

YOU ACKNOWLEDGE THAT YOU AND WE AGREE THAT NO CLASS ACTION, CLASS-WIDE ARBITRATION, PRIVATE ATTORNEY GENERAL ACTION, OR OTHER PROCEEDING WHERE SOMEONE ACTS IN A REPRESENTATIVE CAPACITY, MAY BE PURSUED IN ANY ARBITRATION OR IN ANY COURT PROCEEDING, REGARDLESS OF WHEN THE CLAIM OR CAUSE OF ACTION AROSE OR ACCRUED, OR WHEN THE ALLEGATIONS OR FACTS UNDERLYING THE CLAIM OR CAUSE OF ACTION OCCURRED. Unless mutually agreed to by you and us, claims of two or more persons may not be joined, consolidated, or otherwise brought together in the same arbitration (unless those persons are joint account holders or beneficiaries on your account and/or related accounts, or parties to a single transaction or related transaction), whether or not the claim may have been assigned.

Right to Reject this Resolution of Disputes by Arbitration provision.

You have the right to opt out of this agreement to arbitrate if you tell us within 30 days of the opening of your account or the date of this notice, whichever is later. To opt out, send us written notice at the following address: Member Support, NIH Federal Credit Union, PO Box 6475, Rockville, MD 20849-6475.

Otherwise, this agreement to arbitrate will apply without limitation, regardless of whether 1) your account is closed; 2) you pay us in full any outstanding debt you owe; or 3) you file for bankruptcy.

The Arbitration Proceeding.

The arbitration must be filed with one of the following neutral arbitration forums: American Arbitration Association or JAMS. That organization will apply its code of procedures in effect at the time the arbitration claim is filed. If there is a conflict between that code and this arbitration provision and/or this agreement, this arbitration provision and this agreement will control. If JAMS or the AAA is unable to handle the claim for any reason, then the matter shall be arbitrated by a neutral arbitrator selected by agreement of the parties (or, if the parties cannot agree, selected by a court in accordance with the FAA).

Costs.

The party initiating the arbitration shall pay the initial filing fee. If you file the arbitration and an award is rendered in your favor, we will reimburse you for your filing fee. If there is a hearing, we will pay the fees and costs of the arbitration for the first day of that hearing. All other fees and costs will be allocated in accordance with the rules of the arbitration forum. However, we will advance or reimburse filing and other fees if the arbitrator rules that you cannot afford to pay them or finds other good cause for requiring us to do so, or if you ask us in writing and we determine there is good reason for doing so. Each party shall bear the expense of their respective attorneys, experts, and witnesses and other expenses, regardless of who prevails, but a party may recover any or all costs and expenses from another party if the arbitrator, applying applicable law, so determines.

Right to Resort to Provisional Remedies Preserved.

Nothing herein shall be deemed to limit or constrain our right to resort to self-help remedies, such as the right of set-off or the right to restrain funds in an account, to interplead funds in the event of a dispute, to exercise any security interest or lien we may hold in property, or to comply with legal process, or to obtain provisional remedies such as injunctive relief, attachment, or garnishment by a court having appropriate jurisdiction; provided, however, that you or we may elect to arbitrate any dispute related to such provisional remedies.

Severability, Survival.

These arbitration provisions shall survive (a) termination or changes to your accounts or any related services; (b) the bankruptcy of any party; and (c) the transfer or assignment of your Accounts or any related services. If any portion of this Resolution of Disputes by Arbitration provision is deemed invalid or unenforceable, the remainder of this Resolution of Disputes by Arbitration provision shall remain in force. No portion of this Resolution of Disputes by Arbitration provision may be amended, severed, or waived absent a written agreement between you and us.

Applicability.

Arbitration will not apply to Your Account as long as you are an active duty Service Member.

Effective July 1, 2020

Membership Limitation of Services and Expulsion Policy

Effective 12/01/2024

The National Institutes of Health Federal Credit Union (NIHFCU) will take appropriate action in response to member behavior that is illicit, threatening, abusive, or otherwise overly disruptive to NIHFCU operations or any activity that causes a financial loss or is associated with fraud or increased reputational or regulatory compliance risk to the NIHFCU.

Along with the NIHFCU bylaws, which require a membership to be terminated if the share account falls below the \$1 par value for longer than six months, the NIHFCU will address unacceptable conduct for the protection of its members, employees, and property.

MEMBER EXPECTATIONS

All members are entitled to attend, participate, and vote at the annual and special meetings of the members and must maintain Par value in the regular share account. Access to other products, services, or facilities is not a membership right.

A Member in Good Standing:

Members in good standing retain all their rights and privileges in the NIHFCU. A member that meets all of the following is considered a Member in Good Standing:

1. Maintains a minimum regular share par value of \$1 as defined within the NIHFCU's bylaws and this policy.
2. Has no account with an active limitation of service notation.
3. Has not caused an unrecovered monetary loss to NIHFCU.
4. Has **not** engaged in violent, belligerent, disruptive, or abusive activities such as:
 - a. Violence, intimidation, threats, harassment, or physical or verbal abuse of duly elected or appointed officials or employees of the NIHFCU, members, or agents of the NIHFCU. This includes actions only on NIHFCU premises and through communication by telephone, mail, email, or other electronic methods.
 - b. Causing or threatening damage to NIHFCU property.
 - c. Permitting or engaging in unauthorized use of, or access to, NIHFCU property.
 - d. Knowingly disseminating incorrect, misleading, confidential, or proprietary information regarding the NIHFCU.
 - e. Taking any actions that may cause the NIHFCU material risk or financial harm.

- f. Any action deemed as an attempt to defraud the NIHFCU, such as using counterfeit or altered IDs or misrepresenting personal nonpublic information.

Member *Not* in Good Standing-Limitation of Services

At a minimum, a member that is not in good standing will be subject to a limitation of NIHFCU services and may be subject to expulsion from membership.

Expulsion from Membership

NIHFCU may terminate your membership in one of three ways.

- **Special Meeting:** The first way is through a special meeting. Under this option, we may call a special meeting of the members, provide you with an opportunity to be heard, and obtain a two-thirds vote of the members present at the special meeting in favor of your expulsion.
- **Nonparticipation Maintaining Par Value in Regular Share Account:** The second way to terminate your membership is when a membership is found to not be in good standing, specifically related to not maintaining par value. Once the regular share account has been below par value for 6 months, the membership will automatically close.
- **For Cause:** The third way to terminate your membership is by a two-thirds vote of a quorum of the directors of the credit union for cause (i.e., when a membership is not in good standing)

Cause is defined as follows:

(A) a substantial or repeated violation of the Membership and Account Agreement with NIHFCU.

(B) a substantial or repeated disruption, including dangerous or abusive behavior, to the credit union's operations; or

(C) fraud, attempted fraud, or a conviction of other illegal conduct that a member has been convicted of in relation to NIHFCU, including in connection with our employee's conducting business on behalf of us.

Before the board votes on an expulsion, NIHFCU must provide written notice to your mail address (or email, if applicable) on record or personally provide the written notice. NIHFCU must provide the specific reasons for the expulsion and allow you an opportunity to rebut those reasons through a hearing if you choose. It is your responsibility to keep your contact information with NIHFCU up to date, and to open and read notices from NIHFCU.

Unless the NIHFCU determines to allow otherwise, there is no right to an in-person hearing with the board. If you fail to request a hearing within 60 calendar days of receipt of the notice, you will be expelled.

You may submit any complaints about your pending expulsion or expulsion to NCUA's Consumer Assistance Center if the complaint cannot be resolved with the credit union. NIHFCU will confirm any expulsion with a letter with information on the effect of the expulsion and how you can request reinstatement.

Expulsion or withdrawal from membership does not relieve a member of their liability to the credit union, and we may demand immediate repayment of the money you owe to us after expulsion, subject to any applicable contract terms and conditions.

For additional information on the limitation of services or expulsion, see the Membership and Account Agreement Sections 28 and 29, The NIHFCU Membership Limitation and Expulsion Policy or Article XIV of the NIHFCU Bylaws.

FUNDS AVAILABILITY POLICY DISCLOSURE

This disclosure describes your ability to withdraw funds at National Institutes of Health Federal Credit Union. It only applies to the availability of funds in your transaction accounts (e.g., checking accounts). We reserve the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those outlined in this disclosure. Please ask us if you have a question about which accounts are affected by our availability policy.

For purposes of this disclosure, the terms "you" or "your" mean the member, and the terms "our," "we," or "us" mean National Institutes of Health Federal Credit Union. The term "check" means check or share draft, as applicable.

1. YOUR ABILITY TO WITHDRAW FUNDS – Our policy is to delay the availability of funds from your cash and check deposits. During the delay, you may not withdraw the funds in cash, and we will not use the funds to pay checks that you have written.

If you make a deposit before close of business at a staffed location or before 3:00 p.m. at an ATM that we own or operate on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our cutoff hour or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Our business hours are available at the Credit Union.

INTERACTIVE TELLER MACHINES (ITMs): When the ITM is staffed, deposits are being made at a staffed facility. When the ITM is not staffed, deposits are being made at an ATM. The funds will be made available according to the General Policy.

2. DETERMINING THE AVAILABILITY OF A DEPOSIT – The length of the delay is counted in business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and federal holidays.

The length of the delay varies depending on the type of deposit and is explained below.

3. SAME-DAY AVAILABILITY – Funds from electronic direct deposits to your account will be available on the same business day that we receive the deposit.

4. NEXT-DAY AVAILABILITY – Funds from the following deposits are available by the first business day after the day of your deposit:

- U.S. Treasury checks that are payable to you
- Wire transfers
- Checks drawn on National Institutes of Health Federal Credit Union

5. NEXT-DAY AVAILABILITY FOR CERTAIN DEPOSITS MADE IN PERSON – If you make the deposit in person to one of our employees, funds from the following deposits are available by the first business day after the day we receive your deposit:

- Cash
- State and local government checks that are payable to you
- Cashier's, certified, and teller's checks that are payable to you
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available by the second business day after the day we receive your deposit.

6. AVAILABILITY OF OTHER CHECK DEPOSITS – The first \$275.00 from a deposit of other checks will be available by the first business day after the day of your deposit. The remaining funds will be available by the second business day after the day of your deposit. For example, if you deposit a check of \$700.00 on a Monday, \$275.00 of the deposit will be available by Tuesday. The remaining \$425.00 will be available by Wednesday.

7. LONGER DELAYS MAY APPLY – Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$6,725.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

8. SPECIAL RULES FOR NEW ACCOUNTS – If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For

example, the checks must be payable to you. The excess over \$6,725.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,725.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

9. HOLDS ON OTHER FUNDS FOR CHECK CASHING – If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

10. HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT – If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

11. FOREIGN CHECKS – Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institution upon which it is drawn.

ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

This Electronic Fund Transfers Agreement and Disclosure is the contract which covers your and our rights and responsibilities concerning the electronic fund transfers (EFT) services offered to you by National Institutes of Health Federal Credit Union ("Credit Union"). In this Agreement, the words "you," "your," and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one (1) or more share and share draft accounts you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered. Furthermore, electronic fund transfers that meet the definition of remittance transfers are governed by 12 C.F.R. part 1005, subpart B—Requirements for remittance transfers, and consequently, terms of this agreement may vary for those types of transactions. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

1. EFT SERVICES — If approved, you may conduct any one (1) or more of the EFT services offered by the Credit Union.

a. ATM Card. If approved, you may use your card and personal identification number (PIN) in automated teller machines (ATMs) of the Credit Union, CO-OP, STAR, and Cirrus networks, and such other machines or facilities as the Credit Union may designate. For ATM transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for ATM overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

At the present time, you may use your card to:

- Make deposits to your share and share draft accounts.
- Withdraw funds from your share and share draft accounts.
- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share and share draft accounts.
- Make loan payments from your share and share draft accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at POS terminals that carry CO-OP, STAR, and Cirrus network logo(s).
- Access your Checkmate account.

The following limitations on ATM Card transactions may apply:

- There is no limit on the number of cash withdrawals you may make in any one (1) day.
- You may withdraw up to a maximum of \$500.00 in any one (1) day, if there are sufficient funds in your account.
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

Because of the servicing schedule and processing time required in ATM operations, there may be a delay between the time a deposit (either cash or check) is made and when it will be available for withdrawal.

b. Debit Card. If approved, you may use your Visa® card to purchase goods and services from participating merchants. However, you may not use your card to initiate any type of gambling transaction. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your share draft account. For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

For other types of transactions, if the balance in your account is not sufficient to pay the transaction amount, the Credit Union may pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts, or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, CO-OP, STAR, and Cirrus® networks, and such other machines or facilities as the Credit Union may designate.

At the present time, you may also use your card to:

- Make deposits to your share and share draft accounts.
- Withdraw funds from your share and share draft accounts.

- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share and share draft accounts.
- Make loan payments from your share and share draft accounts.
- Access your Checkmate accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at merchants that accept Visa.
- Order goods or services online or by mail or telephone from places that accept Visa.

The following limitations on Debit Card transactions may apply:

- Purchase amounts are limited to the amount in your account.
- There is no limit to the number of cash withdrawals you may make in any one (1) day from an ATM machine.
- You may withdraw up to a maximum of \$500.00 in any one (1) day from an ATM machine, if there are sufficient funds in your account.
- You may purchase up to a maximum of \$2,500.00 from POS terminals per day, if there are sufficient funds in your account.
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

Card Information Updates and Authorizations. If you have authorized a merchant to bill charges to your card on a recurring basis, it is your responsibility to notify the merchant in the event your card is replaced, your card information (such as card number and expiration date) changes, or the account associated with your card is closed. However, if your card is replaced or card information changes, you authorize us, without obligation on our part, to provide the updated card information to the merchant in order to permit the merchant to bill recurring charges to the card. You authorize us to apply such recurring charges to the card until you notify us that you have revoked authorization for the charges to your card.

Your card is automatically enrolled in an information updating service. Through this service, your updated card information (such as card number and expiration date) may be shared with participating merchants to facilitate continued recurring charges. Updates are not guaranteed before your next payment to a merchant is due. You are responsible for making direct payment until recurring charges resume. To revoke your authorization allowing us to provide updated card information to a merchant, please contact us.

c. Access 24 Telephone Banking. If we approve Access 24 Telephone Banking for your accounts, a separate personal identification number (PIN) will be assigned to you. You must use your personal identification number (PIN) along with your account number to access your accounts. At the present time, you may use Access 24 Telephone Banking to:

- Transfer funds between your internal accounts.
- Perform cross account transfers.
- Obtain balance information for your share, share draft, loan, and money market accounts.
- Access your Checkmate account.
- Determine if a particular item has cleared.
- Obtain tax information on amounts earned on share and share draft accounts or interest paid on loan accounts.
- Verify the last date and amount of your payroll deposit.

Your accounts can be accessed under Access 24 Telephone Banking via a touch-tone telephone only. Access 24 Telephone Banking service will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing.

The following limitations on Access 24 Telephone Banking transactions may apply:

- There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one (1) day.
- See Section 2 for transfer limitations that may apply to these transactions.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each telephone call.

d. Preauthorized EFTs.

- **Direct Deposit.** Upon instruction of (i) your employer, (ii) the Treasury Department or (iii) other financial institutions, the Credit Union will accept direct deposits of your paycheck or federal recurring payments, such as Social Security, to your share and/or share draft account.

You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within 14 days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding 14 days after it has been made. A stop payment request may apply to a single transfer, multiple transfers, or all future transfers as directed by you, and will remain in effect unless you withdraw your request or all transfers subject to the request have been returned.
- **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.

- e. Electronic Check Conversion/Electronic Returned Check Fees.** If you pay for purchases or bills with a check or draft, you may authorize your check or draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic fund transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

This service may be interrupted for a short time each day for data processing. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each access.

The following limitations on Online Banking transactions may apply:

- See Section 2 for transfer limitations that may apply to these transactions.
- g. Mobile Banking.** If Mobile Banking is activated for your account(s), you will be required to use secure login information to access the account(s). At the present time, you may use Mobile Banking to:

- h. Bill Pay.** We will process bill payment transfer requests only to those creditors the Credit Union has designated in the User Instructions and such creditors as you authorize and for whom the Credit Union has the proper vendor code number. We will not process any bill payment transfer if the required transaction information is incomplete.

We will withdraw the designated funds from your share draft account for bill payment transfer by the designated cutoff time on the date you schedule for payment. We will process your bill payment transfer within a designated number of days before the date you schedule for payment. You must allow sufficient time for vendors to process your payment after they receive a transfer from us. Please leave as much time as though you were sending your payment by mail. We cannot guarantee the time that any payment will be credited to your account by the vendor.

The following limitations on Bill Pay transactions may apply:

- See Terms and Conditions of the Bill Pay service within the Online and Mobile Banking Registration Agreement provided upon registration.

2. TRANSFER LIMITATIONS — For all share, Holiday Club, and money market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

3. CONDITIONS OF EFT SERVICES —

a. Ownership of Cards. Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transactions.

Visa. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable transaction date, which rate may vary from the rate Visa itself receives or the rate mandated by the government or governing body in effect for the applicable transaction date. The exchange rate used on the transaction date may differ from the rate that would have been used on the processing date or cardholder statement posting date.

A fee of 1.00% of the amount of the transaction, calculated in U.S. dollars, will be imposed on all foreign transactions, including purchases, cash withdrawals and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, with the exception of U.S. military bases, U.S. territories, U.S. embassies or U.S. consulates. Transactions completed by merchants outside of the United States are considered foreign transactions, regardless of whether you are located inside or outside the United States at the time of the transaction.

d. Security of Access Code. You may use one (1) or more access codes with your electronic fund transfers. The access codes issued to you are for your security purposes. Any access codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and share draft or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. FEES AND CHARGES — We assess certain fees and charges for EFT services. For a current listing of all applicable fees and charges, see our current Schedule of Fees and Charges that was provided to you at the time you applied for or requested these EFT services. From time to time, the fees and charges may be changed, and we will notify you as required by applicable law.

Additionally, if you use an ATM not operated by us, you may be charged a fee(s) by the ATM operator and by any international, national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer). The ATM fee(s), or surcharge(s), will be debited from your account if you elect to complete the transaction and/or continue with the balance inquiry.

You understand and agree that we and/or the ATM operator may charge you multiple fees for multiple transactions during the same ATM session (for example, fees for both a balance inquiry and a cash withdrawal).

5. MEMBER LIABILITY — You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts.

TELL US AT ONCE if you believe your card or access code has been lost or stolen, if you believe someone has used your card or access code or otherwise accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line-of-credit). If a transaction was made with your card or card number without your permission and was a Visa transaction, you will have no liability for the transaction, unless you were fraudulent or negligent in the handling of your account or card.

For all other EFT transactions involving your card or access code, including if you were negligent in the handling of your account or card, your liability for an unauthorized transaction is determined as follows. If you tell us within two (2) business days after you learn of the loss or theft of your card or access code, you can lose no more than \$50.00 if someone used your card or access code without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or access code and we can prove we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, access code or other means, TELL US AT ONCE. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money lost after the 60 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your card or access code has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call:

800.877.6440
TDD/TTU 301.881.5822

or write to:

National Institutes of Health Federal Credit Union
PO Box 6475
Rockville, MD 20849-6475
Fax: 301.770.5372

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

6. RIGHT TO RECEIVE DOCUMENTATION —

a. Periodic Statements. Transfers and withdrawals made through any ATM or POS terminal, debit card transactions, audio response transactions, preauthorized EFTs, online/PC transactions, mobile access device transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or point-of-sale (POS) terminal.

c. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every 60 days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling 800.877.6440 or TDD/TTU 301.881.5822. This does not apply to transactions occurring outside the United States.

7. ACCOUNT INFORMATION DISCLOSURE — We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- If your account is eligible for emergency cash and/or emergency card replacement services and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To comply with government agency or court orders; or
- If you give us your written permission.

8. BUSINESS DAYS — Our business days are Monday through Friday, excluding holidays.

9. CREDIT UNION LIABILITY FOR FAILURE TO MAKE TRANSFERS — If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is an insufficient available balance in your account to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy Disclosure, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
- If the telephone or computer equipment you use to conduct audio response, online/PC, or mobile banking transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the Credit Union. For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- Any other exceptions as established by the Credit Union.

10. NOTICES — All notices from us will be effective when we have mailed them or delivered them to the appropriate address in the Credit Union's records. Written notice you provide in accordance with your responsibility to report unauthorized transactions to us will be considered given at the time you mail the notice or deliver it for transmission to us by any other usual means. All other notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which EFT services are offered and will provide notice to you in accordance with applicable law. Use of EFT services is subject to existing regulations governing your Credit Union account and any future changes to those regulations.

The following information is a list of safety precautions regarding the use of ATMs and night deposit facilities:

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- Close the entry door of any ATM facility equipped with a door.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction. If it is after the regular hours of the financial institution and you are using an ATM, do not permit entrance to any person you do not know.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your personal identification number (PIN) or access code on your ATM card.
- Report all crimes to law enforcement officials immediately. If emergency assistance is needed, call the police from the nearest available public telephone.

11. BILLING ERRORS — In case of errors or questions about electronic fund transfers from your share and share draft accounts or if you need more information about a transfer on the statement or receipt, telephone us at the following number or send us a written notice to the following address as soon as you can. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem appears. Call us at:

800.877.6440
TDD/TTU 301.881.5822

or write to:

National Institutes of Health Federal Credit Union
PO Box 6475
Rockville, MD 20849-6475
Fax: 301.770.5372

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about and explain, as clearly as you can, why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error has occurred within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)** business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to investigate the error.

** If you give notice of an error occurring within 30 days after you make the first deposit to your account, notice of an error involving a point-of-sale (POS) transaction, or notice of an error involving a transaction initiated outside the U.S., its possessions and territories, we may take up to 90 days instead of 45 days to investigate the error. Additionally, for errors occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to credit your account.

NOTE: If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit as described above.

12. TERMINATION OF EFT SERVICES — You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your card and any access code. You must return all cards to the Credit Union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this Agreement at any time by notifying you orally or in writing. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card or access code for any EFT service.

Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any electronic transactions made prior to termination.

13. GOVERNING LAW — This Agreement is governed by the bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state of Maryland, and local clearinghouse rules, as amended from time to time. Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the county in which the Credit Union is located.

Aggregate balances for fee waiver purposes means the combination of all NIHFCU savings account balances (based on average daily balance) and all outstanding NIHFCU loan balances, excluding first mortgages (not credit limits) held under the same member number. **(Does not apply to Business Accounts)**

Average Daily Balance If a fee waiver requires a minimum average daily aggregate or savings balance, the balances for each day of the statement cycle will be added together and divided by the number of days in the

cycle to determine the average daily balance, and the fee waiver will apply if the average daily balance for the cycle is at or above the minimum.

Balance Tracking Balances are tracked by member number, not member name. If a fee waiver requires a minimum daily aggregate or savings balance, the fee waiver will apply to any statement cycle in which the balance remains at or above the required minimum each day of the cycle.

Courtesy Pay This service is made available to members who maintain an eligible checking account. While the main Courtesy Pay program does not cover all transactions, like ATM or Daily debits, the member can opt-in to the Plus program where these transactions are covered. The terms and conditions can be found in the Membership and Account Agreement. A per item fee applies to this service, based on the published fee disclosure.

Direct Deposit means a monthly direct deposit of at least \$1,000 to NIHFCU savings, checking or money market account.

5 Overdrafts- If, on any day, the available balance in your share or deposit account is not sufficient to pay the full amount of a check, draft, transaction, or other item, plus any applicable fee, that is posted to your account, we may return the item or pay it, as described below. The Credit Union's determination of an insufficient available account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. We do not have to notify you if your account does not have sufficient available balance in order to pay for an item. We will charge one NSF fee for each unique item presented for payment when funds are not available. Should this same unique item be represented, on a subsequent business day (within 28 calendar days) and the funds are not available, the item will be returned unpaid. The credit union will not assess an additional NSF fee on the subsequent business day for the representation of the unique item. If at any time the credit union pays a represented item via courtesy pay, a courtesy pay fee will be charged.

If we offer standard overdraft services, this service allows us to authorize payment for the following types of transactions regardless of whether your share or deposit account has sufficient funds: (1) share drafts/checks and other transactions made using your checking account, except as otherwise described below; (2) automatic bill payments; (3) and ACH transactions. For ATM and one-time debit card transactions, you must affirmatively consent to such coverage. Without your consent, the Credit Union may not authorize and pay an ATM or one-time debit card transaction that will result in insufficient funds in your account. If you have established a service linking your share or deposit account with other individual or joint accounts, you authorize us to transfer funds from another account of yours to cover an insufficient item, including transfers from a share or deposit account, an overdraft line-of-credit account, or other account you designate. Services and fees for these transactions are shown in the document the Credit Union uses to capture your affirmative consent and the Schedule of Fees and Charges.

Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay such items that result in an insufficiency of funds in your account, we do not agree to pay them in the future and may discontinue coverage at any time without notice. If we pay these items or impose a fee that results in insufficient funds in your account, you agree to pay the insufficient amount, including the fee assessed by us, in accordance with our other service you may have authorized with us or, if you do not have such protections with us, in accordance any overdraft payment policy we have, as applicable.

Negative checking balances must be repaid within 30 days. ***Certain restrictions apply as NSF items will be paid for checking accounts only; they are not paid on money market accounts even if they have checking privileges.*** Unless an Overdraft Plan with available funds or credit is set up by a checking account owner, payment of NSF items is not guaranteed. NSF items may not be paid for on accounts fewer than 60 days old, accounts that do not receive regular deposits, accounts where any owner's funds are subject to legal process or other claims, or on accounts where any owner is in default on any obligation to NIHFCU.

The fee of \$30 per item paid on Consumer and Business Accounts will only be assessed on transactions of \$10.01 or greater. Active enrollment in the Courtesy Pay program required. *Effective 09/09/2022*

8 Complete Care Checking

Exceptions Apply: Complete Care offers members a suite of services that may or may not be available to those members who reside outside of the United States of America.

With Early Payday, NIH Federal Credit Union may make incoming electronic direct deposits made through the Automated Clearing House (ACH) available for use up to two days before the scheduled payment date. Not all direct deposits are eligible for Early Payday. Early availability of direct deposits is not guaranteed and may vary from deposit to deposit. Early access to funds is dependent on submission of direct deposits by payor with a discernible description and standard fraud prevention restrictions. NIH Federal Credit Union is not responsible for fees or penalties from transactions in advance of an anticipated early direct deposit posting. Early Payday is available for personal accounts only. Eligible direct deposits are limited to electronic direct deposits of items such as your payroll, pension and government benefit payments made through the Automated clearing House (ACH) to your personal account. Other deposits or credits to your account, such as deposits of funds from person-to-person payment services (e.g., Zelle, Venmo, PayPal, or CashApp transfers), check or mobile deposits, and other online transfers or electronic credits are not eligible for Early Payday.

If NIH Federal Credit Union makes funds available early through Early Payday and the payor reverses or requests a return of the deposit, or the funds are otherwise uncollected by NIH Federal Credit Union, NIH Federal Credit Union may debit your account for the deposit amount previously made available early, which may draw your account into a negative balance.

Due to IRS tax reporting requirements, the service may not always be available (for example, Early Payday deposits will not be available to members for the last two business days of December.

7. Suspicious Activity-Rejection of a Wire Transfer or Wire Transfer Request

NIHFCU has no responsibility to accept any incoming Wire Transfers(s) for your benefit. Likewise, the credit union has a right to reject any Wire Transfer Request(s) for an outgoing Wire Transfer for reasons including, but not limited to, insufficient or uncollected funds in the account specified in the Wire Transfer Request, a request that fails the security procedures outlined in the Fund/Wire Transfer Agreement or our inability to execute the Wire Transfer for the reasons set out in the sections of this agreement and if we are unable to verify the authenticity of the Wire Transfer Request and or the Security protocol submitted with request has failed. If we stop an outgoing wire, we will refund the fee.

If we suspect a fraudulent attempt we may delay a transaction and use the information on file with your wireless/Internet providers to further verify your identity if we suspect suspicious activity to protect you (Member) against or prevent actual or potential fraud or unauthorized use of the Service.

If we determine, in our sole discretion, not to honor, execute, or accept a Wire Transfer Request, we will endeavor to notify you, but we shall have no liability for delay or failure to do so. We will also endeavor to notify you promptly if a Wire Transfer is returned to us after its execution but we have no liability by reason of our delay or failure to do so. We have no obligation to resent a Wire Transfer if we complied with the original Wire Transfer Request and such the Wire Transfer Request was returned to us.
