Rate Information: Your dividend rate and annual percentage yield may change monthly. Dividends are calculated using the daily balance method. Dividends are calculated daily and credited on the last day of each month. Dividends begin to accrue on the business day of your deposit (for example, checks). If you close your account, we will credit your account with dividends accrued to the date of closing.

Withdrawal limitations: You may make six (6) monthly transfers or withdrawals from your account, but only three (3) may be payments by check to third parties. If more than three (3) payments by check are made in a calendar month, a fee of \$10.00 per check over the limit will be assessed.

Insurance: All accounts, including Money Market Accounts, are federally insured by the National Credit Union Administration, (NCUA), to at least \$250,000 and backed by the full faith and credit of the United States Government.

Right of Survivorship: Maryland law states: Upon the death of a party to the account, the fund will belong to the surviving party or parties.
