Your Interest Rate is variable and may change automatically from time to time according to the variable rate terms set forth in this Addendum. The Interest Rate is subject to change quarterly on the first day of the billing cycle to reflect any change in the Index and will be determined by the Prime Rate as listed in the "Money Rates" section of *The Wall Street Journal* on fifth day of each calendar quarter (January, April, July and October), to which we add a margin. Any increase in the Interest Rate will take the form of additional payments shown as Total Minimum Payments on your account statement. If the Index is no longer available, the Credit Union will choose a new index which is based upon comparable information.
