

# *Mobile Deposit*

*Let's take a tour!*

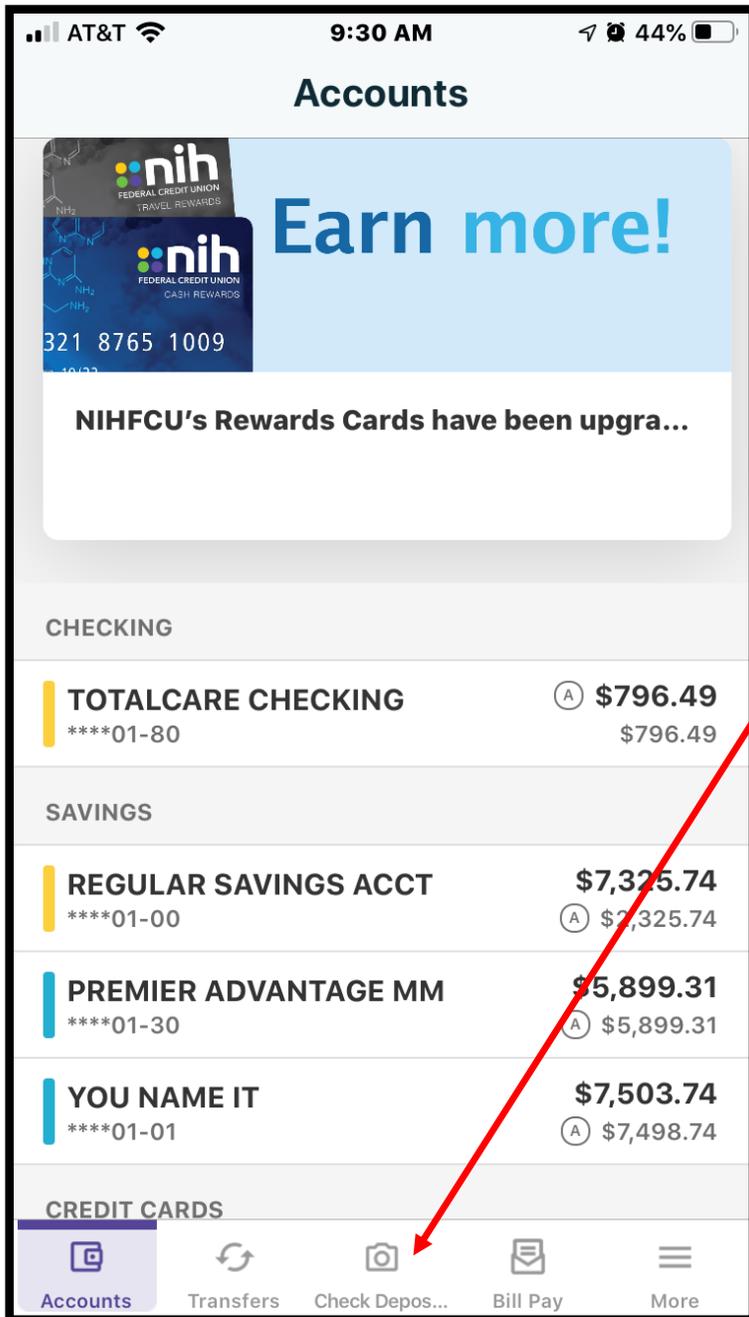

Depositing checks into your NIHFCU account is secure, and incredibly fast and easy!

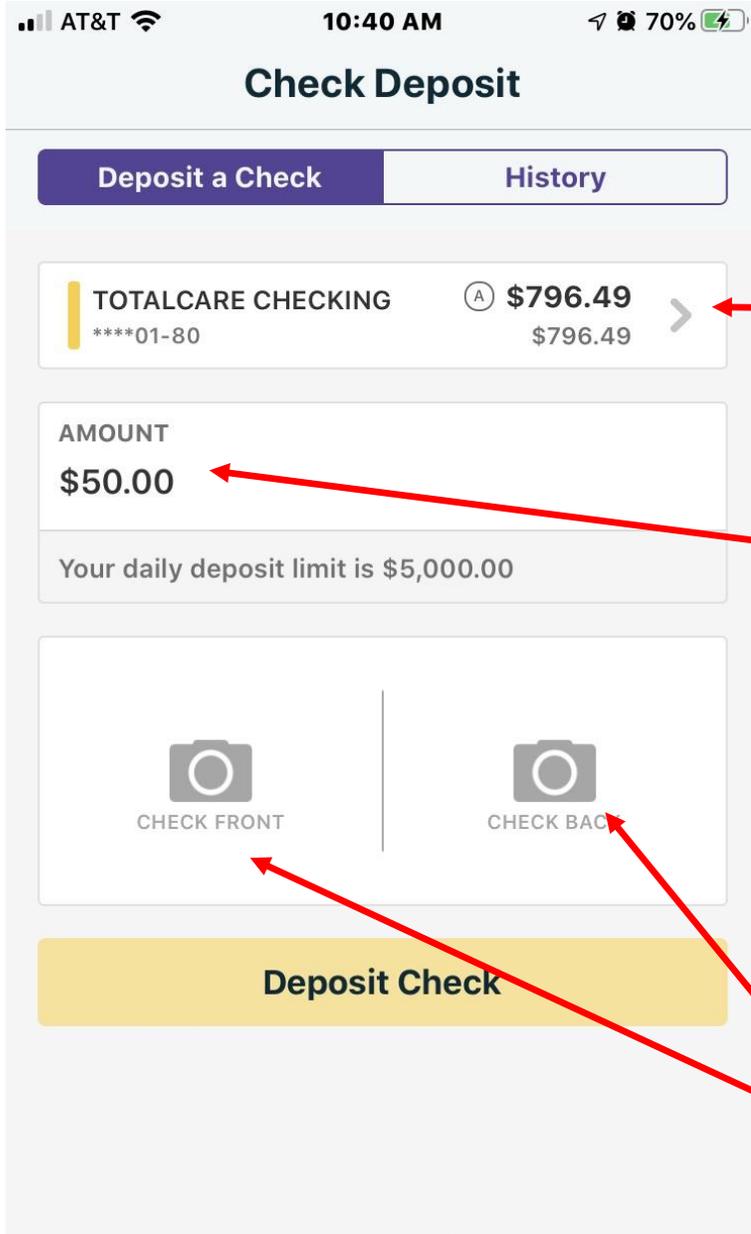

Simply, follow these quick steps to enjoy this convenient mobile banking feature.

**First, download our iPhone or Android app and then open it on your mobile device.**

Next, from the Account screen, choose the “check deposit” widget.

- When you click the check deposit widget, you will receive some important endorsement information.
- Please read it carefully and then click “done” at the top right of the screen.

**Next, select the NIHFCU account in which you wish to deposit your check.**

**Then, enter the amount of the check**

- In this example, the member has a \$50 check to deposit into a TotalCare checking account.

**Then select “Check Front” and then “Check Back” to snap photos of your check.**

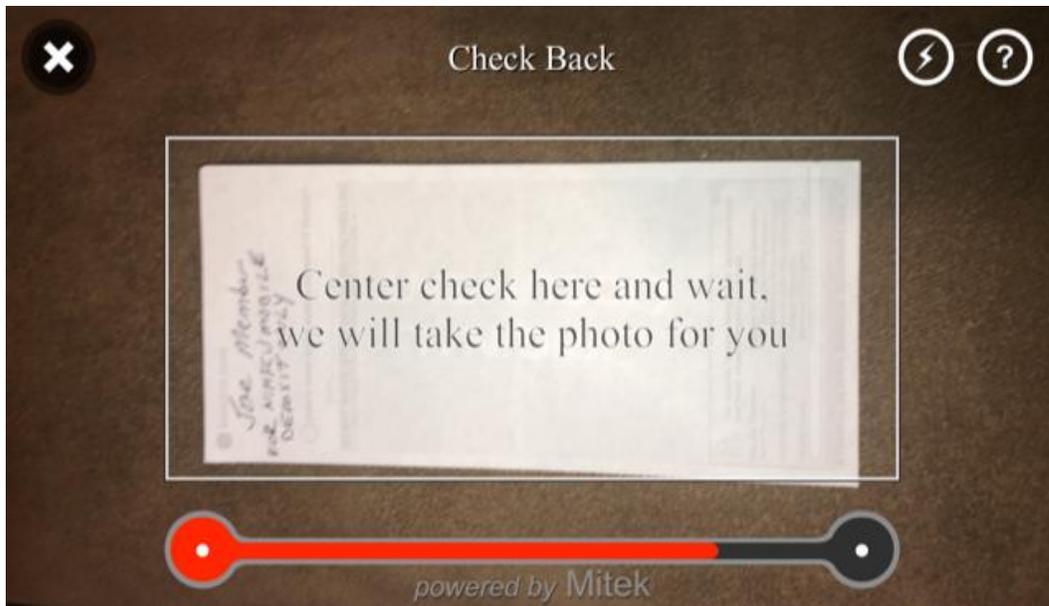

Place your check on a solid dark surface and follow the prompts to snap the front of the check.

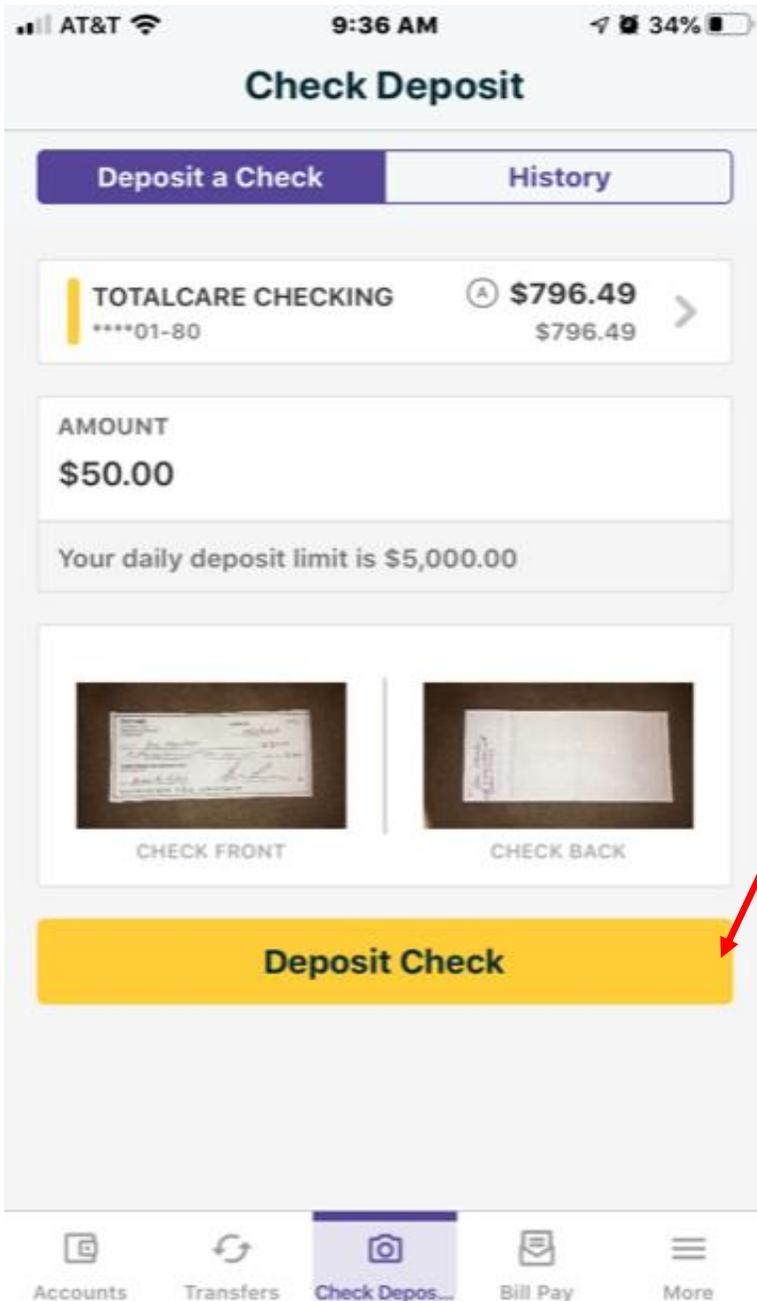

Repeat to snap a photo of the back of the check.

- Make sure the check is endorsed and also includes the following:

### For NIHFCU Mobile Deposit Only

Checks will not be processed without these two required endorsement steps.

Once the photos are captured, they will show up here.

**After confirming that all information is correct, select “Deposit Check.”**

You will need to do these steps for each check you wish to deposit.

*Note: Do not destroy the checks. Hold on to them until you have received confirmation that the checks cleared and funds are in the depositing account.*

**This concludes your “Mobile Deposit” tour.**
